

The Institution of Engineering Designers (IED)

TECHNICAL TALK

On

Global Design

Date, Time & Venue

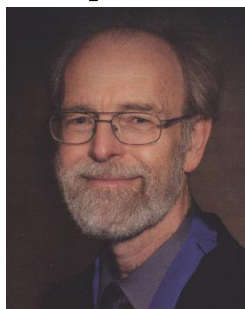

4th June, 2008 (Wednesday), 7:00pm, Regal Kowloon Hotel, Luxembourg Room I,
3/F., 71 Mody Road, Tsimshatsui East, Kowloon, HK.

Refreshment starts at 6:30 pm.

Programme Highlights

This is a personal view of the current state of Engineering Design. An overview is presented of the technical support available to designers together with a summary of the challenges facing the profession in the era of globalisation.

Speaker

Gordon Blount

**Emeritus Professor of Engineering Design, Coventry University
Chairman of Council, the Institution of Engineering Designers**

Gordon worked at Coventry University and its predecessors in name for 30 years. Before this he worked at the Michelin Tyre factory in Stoke on Trent, principally on tribology problems, as the lubrication engineer. His career path at the university

The Institution of Engineering Designers (IED)

included the posts of principal lectures, chair of the design division, head of engineering design, associate dean of undergraduate affairs, professor of engineering design, attaining emeritus status on his retirement in 2003. At head of engineering design at Coventry University, Gordon oversaw the operation and development of all the engineering design courses.
